Prevent Storm Casualties at Antioch Lakes

Skilled Rescue Work Saves Duck Hunters Marooned on Blinds

While lives were lost among hunters on the Illinois river and in Wisconsin and Minnesota, heroic efforts on the part of Antioch resort owners and rescue squad members and fire department members prevented tragedies among duck hunters caught out in blinds or in boats on the lakes of the Antioch area Monday.

Seven marooned hunters were rescued shortly before midnight, after vain attempts made during the day, when Ray Pregenzler's 30-ft. sea-going motor launch "Oh My, VII," which had been dismantled for the winter, was put in running order and battled high waves to get them.

Floodlights owned by the Antioch Rescue squad proved a godsend in locating the marooned men, some of whom had even resorted to burning wooden decoys to keep warm.

The rescue party included Louis Pregenzler as pilot, James McMillen, Walter Scott, Irving Elms, James Roepack and Charles Haling. Herman Holbek, L. D. Powles and Clarence Shultz "stood by" on shore with blankets and other rescue equipment.

Get into Water

At one time during the rescue efforts the big wind-battered "Oh My" was grounded amid ice and bogs.

When other efforts to dislodge it failed, Louis Pregenzler and Jim McMillen swung overboard into the icy water, which was chest-deep, and pushed the craft free.

The men picked up included Peter Jacques, Grass Lake; Ernie Stiehl, Chicago; Peter Smith, Evanston; Stanley Jensen, Lincolnwood; Herbert Kiehl, George Telow, Chester Zimmerman, Chicago.

Unable to return to Pregenzler's resort, the party grounded their boat further north, and Telow and Zimmerman were treated at Ed Smith's resort by Dr. D. N. Deering for frostbite and burned fingers.

Make Own "Rescue"

Several parties managed to reach shore earlier.

Jim Hanrahan, of Hanrahan's resort succeeded in guiding his party, including Edward Farr and Harold Sullivan, safely to shore by way of a little-used dead end channel near Forbrick's farm, although all equipment except their guns had to be abandoned.

Silverstein and McMillen to be in Wrestling Specials

All roads in Lake county will lead to the Waukegan High School gymnasium Friday night, Nov. 15, when Ruffy Silverstein, Jim McMillen, Karol Krauser and a host of outstanding heavyweight wrestling contenders battle it out for gold and glory that goes with it in an all star, all heavyweight wrestling extravaganza to be presented under the sponsorship of Waukegan's Loyd Order of the Moose lodge.

In the main event of the evening Oki Shikina, Judo-jitsu wrestling champion of Japan and the Hawaiian Islands, puts to test the ancient lore of mysterious judo, against modern American methods of diminutive Ruffy Silverstein, leading world's championship contender.

For years opinion by the experts has been divided as to the actual effectiveness for self defense purposes of Judo Jiu-jitsu as compared with American catch-as-catch-can, and this very first meeting of Ruffy and the 215 pound Jap champion may be expected to throw some light on this long standing question mark. It will be remembered that the only professional in the world ever to win a single fall from Ruffy was Maty Matsura, 175 pounder who won with a Japanese strangle in Grayslake three years ago.

A special event of the evening pits local favorite Jim McMillen against ex-All-American football star, "Tarzan" White, currently a tackle on the Chicago Cardinals. White is the winner of the Pacific coast pro wrestling tourney, a three week contest in which he eliminated more than fifteen of the leading top-ranking wrestlers.

The semi-windup features the return of mighty Karol Krauser, Polish heavyweight champion and refugee, against rough Rudy Kay, Chicago's own gas house kid. Krauser held the heretofore unbeaten Jim McMillen to an hour draw in Grayslake last summer.

Antioch Men Qualify as Red Cross Instructors

Herman Holbek and Herman E. Rosing, lieutenants of the Antioch rescue squad, received official notification Tuesday from national headquarters that they have passed the course and required examinations for lay instructors in Red Cross standard classes.

Both had previously taken advanced courses in Red Cross first aid work.

A number of Lake county persons took the instructors' course, conducted by qualified medical men for a period of three hours each evening over a period of three weeks. Not all, however, qualified in the examinations. The course was given at Victory Memorial hospital in Waukegan.

The Antioch instructors have already been asked to start a standard course for Boy Scouts and Girl Scouts here.

Sequoits Warm Up for 20-Game Cage Schedule

Richmond Basketeers Here Tuesday for 1940 Curtain-Raiser

Over thirty aspirants for the Sequoit basketball teams have turned out for practice and tryouts at the Antioch High school, Coach R. H. Childers announced today. Real competition has developed among players for the first string squad, the heavyweights, and also for the second team, known as the lightweights. The two teams will make up a crew of about twenty players, Childers said.

Basketball fundamentals, team offense and defense are being stressed to bring the team up to par and attain the best possible condition to face the somewhat grueling schedule of more than twenty games between next Tuesday, when the locals meet Richmond for the opener, and Feb. 14, with Zion.

Principal J. O. Austin has inaugurated for the first time this season a separate game schedule with surrounding schools for the Freshman-Sophomore team. This team will be coached by George Ergang, faculty member in charge of history and manual arts course.

This year the scholastic standard has been raised for all activities in which individuals compete. Instead of following the state rule that an individual must be passing in three subjects, pupils must be passing in four solids. Besides the games on the regular schedule, the local teams will have practice games with Palatine, Dundee, Waukegan and Kenosha.

The Schedule:

Tuesday, Nov. 19—Richmond at Antioch.

Friday, Nov. 22—Open.

Tuesday, Nov. 26—Antioch at Warren.

Friday, Nov. 29—Antioch at Elia.

Tuesday, Dec. 3—Zion at Antioch.

Friday, Dec. 6—Grant at Antioch.

Tuesday, Dec. 10—Hebron at Antioch.

Friday, Dec. 13—Antioch at Waukegan.

Tuesday, Dec. 17—Open.

Friday, Dec. 20—Barrington at Antioch.

Friday, Dec. 27—Alumni.

Tuesday, Jan. 7—Open.

Friday, Jan. 3—Antioch at Bensenville.

Friday, Jan. 10—Elia at Antioch.

Tuesday, Jan. 14—Warren at Antioch.

Friday, Jan. 17—Antioch at Grant.

Tuesday, Jan. 21—Antioch at Hebron.

Friday, Jan. 24—Palatine at Antioch.

Tuesday, Jan. 28—Antioch at Wilmet.

Friday, Jan. 31—Waukegan at Antioch.

Tuesday, Feb. 4—Open.

Friday, Feb. 7—Antioch at Northbrook.

Tuesday, Feb. 11—Wilmet at Antioch.

Friday, Feb. 14—Antioch at Zion.

Armistice Observances Draw Good Attendance

An attendance of 200 persons was present at Antioch High school Sunday evening to hear Jock Morrow, former war correspondent, speak on his experiences.

The talk was sponsored jointly by the American Legion and Antioch High School P. T. A. Morrow was introduced by Dr. L. J. Zimmerman, president of the P. T. A., who in turn was presented by Commander J. Harry Messing of the Legion.

The Sons of Legion drum and bugle corps and the high school band took part in the program.

A brief Armistice observance was also conducted by the Legion Monday morning in the village park.

St. Ignatius' Church Observes 25th Anniversary

Rev. Carr, Dr. White of Chicago Speak at Services

The twenty-fifth anniversary services of St. Ignatius' Episcopal church of Antioch were held Sunday.

At the 11:00 o'clock service of Choral Eucharist, the Rev. R. Everett Carr, of St. Peter's Church, Chicago, was the celebrant and preacher.

At the 4:00 o'clock service of Evensong, the Rev. Edward S. White, D. D., of the Church of the Redeemer, Chicago, was the preacher.

At 5:15 P. M. tea was served in the Guild hall. The services of the day were under the direction of the Rev. J. E. Charles, the resident pastor. The choir of St. Lawrence's Church, Libertyville, sang at the afternoon service.

Letters of congratulation were read from former pastors.

A number of former communicants and friends returned for the anniversary.

The first Episcopal Church service was held in Antioch on Sunday, July 11th, 1915.

The Rev. Edward E. White, who was then priest-in-charge of St. Lawrence's Church, Libertyville, officiated; the choir of his church accompanied him. R. Everett Carr, who was then a student at Western Theological Seminary, Chicago, served as the first Lay Reader in the Mission.

Mrs. W. H. Osmond was the first President of St. Ignatius' Ladies' Guild; Mrs. Elmer Brook was Vice-president, and Mrs. Chase Webb was Secretary-Treasurer. The three ladies were present last Sunday and are still active in the work of the Guild.

Civic Club to Honor Charter Member Monday

Eugene Hawkins, a charter member of the Antioch Men's Civic club, who has never missed a meeting since it was founded four or five years ago, will be honored at a "Hawkins Night" observance to be held in conjunction with its meeting Monday evening in Guild hall.

Frank Hug Brown, director of public relations for Chicago Technical college, is to be a guest at the 7 o'clock dinner, and will speak afterward.

The title of his talk is "The Mystery of the Air We Breathe." Brown, who is a lecturer and world traveler as well as an educator, will speak at Antioch High school in the afternoon.

Brooder Fire Causes Loss of 900 Chicks

Nine hundred baby chicks valued at 15 cents each were suffocated and a brooder heater was ruined when a brooder house located on the Max Hub property north of Antioch and leased by the Mount Hatchery caught fire Tuesday afternoon.

Damages to the building were estimated at \$75.

The fire was discovered at 2 o'clock, and despite high winds which made it a potential threat to other buildings was extinguished by the Antioch fire department within 20 minutes.

Much Smoke, Little Fire at Postoffice

Smoke seeping from the basement of the Postoffice building brought a call that was answered by two companies of the Antioch fire department Wednesday morning at 8 o'clock. After breaking basement windows to clear away smoke and gas, the firemen found that a bin of rubbish and coal was burning.

Origin of the blaze is unknown. Damages were estimated at \$25. Firemen said it was surprising how many folks turned out to get their mail at 8 o'clock in the morning.

Lions Brave Storm to Enjoy Duck Dinner

A good attendance of Antioch Lions club members braved the storm to enjoy their annual duck dinner Monday evening at Jim Hanrahan's resort on Grass lake.

Motion pictures of motor car production and travel pictures dealing with scientific research were shown through the courtesy of W. A. Rosing and sons, local dealers.

UP TO HIS OLD TRICKS

Doris Klass, Critically Ill, Reported Improved

Friends of the Otto S. Klass family learned with great relief Wednesday that the Klass' 16-year-old daughter, Doris, is believed to be on the way to recovery, after being critically ill for the past week.

It was at first feared that her illness was the dreaded leukemia, in which the red corpuscles in the blood diminish while the white ones multiply. Tests disclosed that she is suffering from acute mono-nucleosis, a milder, curable ailment. She will, however, be ill for some time.

More than 100 persons volunteered to give blood for a transfusion when a call was sent out Saturday night from Victoria Memorial hospital. Mrs. Ruth Ward of Antioch was chosen as the donor.

Dr. A. N. Berke of Antioch is attending physician, with Dr. Oscar Richter, Chicago pathologist, as consulting physician.

Doris is a senior at Antioch Township High school, where she is president of the dramatic club, secretary of the student council, vice-president of the Girls' club and editor of the school paper. She is an honor roll pupil.

Red Cross Roll Call Commences in Antioch

Armistice Day marked the beginning of the 24th Annual Roll Call of the American Red Cross. In addition to the everyday needs for training in first aid, life saving, disaster relief, and nursing, the American Red Cross is taking an important part in the national defense program. Increased responsibilities have resulted in a need for increased membership and support.

In Antioch, the roll call is being directed by Mrs. Amos P. Bratrude. Mrs. Bratrude emphasizes that the roll call is not merely a drive for funds, but a nation-wide effort to gain the membership and loyal support of every American.

Important work is being done right here in Lake county. In the eleven highway first aid stations maintained by the Red Cross, 381 injuries were treated during the past year. Thousands of visits to the needy sick were made by Red Cross public health nurses, hundreds of swimmers were trained in life saving and greater knowledge of water safety.

The roll call for members is from November 11 through November 30. Annual dues are as little as \$1.00.

Members of the local committee assisting Mrs. Bratrude in the drive this year are: Mmes. Herman Holbek, John Horan, Herman Rosing, Paul Ferris, D. N. Deering, Edmund Vos, George Schlosser, I. B. Elms, H. H. Perry, and Herman Rosing and Herman Holbek, members of the Red Cross Rescue squad.

Members of the local committee were in attendance Wednesday at a meeting held in Lake Villa where they heard an address by Paul Schreiner, chairman of the Red Cross Roll Call.

Residents everywhere are asked to tune in National Broadcasting stations at 12:30 o'clock Sunday afternoon when a thirty-nine-minute broadcast will be given by famous artists of stage and screen in the interest of the 1940 Red Cross Roll Call.

Mrs. Anna Drago Dies

Final rites were held last Thursday for Mrs. Anna Smith Drago, of East Troy, Wis., mother of Mrs. John Olsen of Grayslake, who died Tuesday following a sudden stroke. Other survivors are three sons, James Drago, Kenosha; Ross Drago, Milwaukee; Clarence Drago, Park Ridge, and six grandchildren.

Board Amends Liquor Code

Sign New Contract With Public Service for Improved Lighting

Antioch's liquor ordinance has been amended to include the licensing of an additional retail dealer for the dispensing of beer for consumption on the premises only. The annual fee for this class of license, known as class F, will be \$200.

The broadening of the ordinance, which now permits the licensing of six retail dealers within the village, was accomplished with the passing of the amending ordinance at the November meeting of the village board. While the local code was broadened with respect to number of dealers to be granted licenses, there was also enacted a restricting section regarding the employment of minors in barrooms. Specifically, the ordinance as amended now provides:

"No male or female person under the age of twenty-one years shall be employed in or allowed to dispense liquor in any establishment holding a license under the terms of this ordinance."

Sign New Lighting Contract

A method whereby Antioch may have more and better lighting for less money was presented to the village board by George Joedicke, district manager of the Public Service company. Manager Joedicke submitted an analysis of the present installation and recommended the changes to be made for more efficient lighting. Briefly, the new contract adopted by the board provides for changing the 59 lights, now on from dusk to midnight to burn from dusk to daylight and to be equipped with 400 c. p. bulbs instead of 250 c. p. as in the past.

The increased lighting service will bring into effect a reduced rate which will keep the total cost slightly under the present. Last year the village spent \$1,629.00 for lighting. Under the present set-up the estimated cost for the current year will be \$1,621.56. The contract will expire in 1950.

Get It Straight

A few years ago, the people of the United States stood aghast at the program of the Union of Soviet Socialist Republics to take all private enterprise. It inaugurated two "five-year plans" to build a new Russian industrial structure, including government-owned hydro-electric plants. The Communistic scheme of destroying private enterprise, seemed fantastic to the citizens of the United States.

But what has been happening in our own country? Take the power industry for instance. For some years we have had a Federal policy of building great government-owned hydro-electric plants which compete with, absorb, or put out of business private enterprise in the electric power field.

Russia did the job ruthlessly. Our own government is doing it with a gloved hand. But the net result will be the same in the United States, so far as socializing or communizing an industry goes, unless our present Federal policy is changed.

We point out how Communism has killed private enterprise in Russia, in making comparisons as to the superiority of our type of government. But our present Federal power policy is just as much a "five-year" or a "fifteen-year plan" to communize, or socialize, the electric industry of the United States, as were the five-year plans for electric power development in Russia.

A high official in our Federal organization, according to press dispatches, recently told the citizens of a local district whom he was urging to substitute Federal power for private power, that the private utilities "shifted taxes and debt burdens to customers." He didn't suggest how taxes paid by private companies to maintain government could be raised except as part of the cost of electric service. Neither did he mention the fact that the Federal government's great hydro-electric plants are all tax-exempt, and that this loss of taxes to local communities, which similar private power development would pay, is all "shifted" to the general taxpayer.

Don't hold your hands up in horror at Communism and Socialism in other countries if you sanction a policy

which accomplishes similar results in this country under the camouflage of a softer name—the end will be the same.

Thumbs Down

The average citizen has little realization of the extent to which government has gone into the banking business—which is a polite way of saying "government socialization of the banking business."

There are dozens of government agencies, well known, which carry on activities belonging squarely in the field of investment or commercial banking. Their total dealings run far into the billions. And their existence presents two distinct and grave dangers to the well-being of this nation.

First, government banking must necessarily be carried on with public funds—tax funds, belonging to all the people. Any losses incurred must be borne by all the people. And, even though widespread government "loaning" has been in effect for only a few years, losses so far incurred have reached a tremendous total.

Second, government "loaning" presupposes a diametrical change in the system on which our government and our economic order are based. It means that there will be more and more concentration of the money power in the hands of bureaucrats, who are responsible only to other, higher-placed bureaucrats. It means that the present control which the people possess over the nation's money when it is held and administered by strictly-regulated private banking, is swiftly lessened. Finally, it presents the possibility of this new political money power being used to create political machines of unimagined power and corruption.

According to the best authorities, there is little legitimate demand for money today that private banking is not able to meet. It's time we turned thumbs down on power-seeking politics in the banking field.

Time to Work

This is the time for labor, no less than capital, to show its patriotism.

There can be no further excuse for unjustified strikes, which could be prevented by honest arbitration, for labor racketeering of any kind, or for wage and hour demands which go beyond all reason, and which slow defense production.

If labor has any just grievances, conciliation can cure them. Public opinion, that mightiest of corrective forces, will always support the exploited, and see that the exploiter is controlled. And, by the same token, public opinion will, and rightly, give short shrift to those who seek to promote industrial warfare.

West and daughter, Mrs. Viola Olsen attended the funeral services for Mrs. Vina Dyson at Madison on Sunday. Mr. and Mrs. Elmer Rasch were dinner guests Sunday of Mrs. J. D. Richardson at Richmond, Ill. Mr. and Mrs. M. M. Schnurr and children were guests from Thursday to Sunday of Mr. and Mrs. C. M. Anderson at Milwaukee. Mr. and Mrs. Schnurr attended the Wisconsin State Teachers' convention in Milwaukee. The Rev. and Mrs. R. P. Otto were guests Sunday of friends at Waukesha. Mrs. Charles Schmalfeldt, Paul and Lottie Schmalfeldt of Kansasville were Sunday callers on Mr. and Mrs. Paul Gauzlin. Private Lorenza Winn of Rantoul, Ill., spent from Saturday to Monday at his home in Wilmet. Fifteen members of the Wilmet I. O. O. F. attended a District meeting held at Kenosha on Friday evening. Private Harley Shottliff, of Rantoul, Ill., spent from Saturday to Monday with his parents, Mr. and Mrs. R. C. Shottliff. Mrs. William Shottliff and son, Ted, of Spring Grove called at Shottliff's on Sunday. A committee of members of the Fred Senrau Post, No. 263, American Legion Post, of Antioch, (continued on page 7)

SOCIETY

Woman's Club Lecturer Known as Witty Speaker

Known as a witty speaker with a keen insight into human nature is Mrs. Frederick Durland Bacon of Oak Park, who will speak before the Antioch Woman's club at its meeting Monday afternoon, Nov. 18, at 2 o'clock.

Her subject will be "Thoughts Pertinent and Impertinent," and persons who have heard her speak state that her treatment of it will probably be both clever and original.

The meeting will be held in the home of Mrs. W. C. Petty, on Spafford street. Assisting hostesses are to be Meses. C. E. Hennings, George Wagner and Einar Petersen.

Lions Plan Dinner-Dance at Villa Moderne

A large attendance is expected at the Zone B Lions International informal dinner dance to be held tomorrow (Friday) evening at Villa Moderne near Wheeling. Lions, their wives and friends, from 21 clubs in Zone B, including Antioch, have been invited.

Dan Sterling and his orchestra will furnish music for the dancing following a fine turkey dinner with all the trimmings, according to Chairman Otto P. Fisher. There will be a splendid floor show, and a prize is to be given to the club having the largest attendance. This is the first social function of the season to be given by the Lions of this zone and a delightful evening has been planned.

MRS. VIEZENS FETED ON 79TH BIRTHDAY

A five hundred club she has headed for 21 years and her Tuesday and Thursday bridge clubs combined to honor Mrs. Paul Viezens on her seventy-ninth birthday anniversary Tuesday. Four tables of cards were arranged, refreshments were enjoyed, and Mrs. Viezens was presented a gift on behalf of the entire gathering.

CIRCLE TO HEAR TALK ON JOURNEY

Miss Elizabeth Webb will speak on her recent trip to Guatemala and Honduras at a meeting of Friendship Circle Monday evening, Nov. 18, in the home of Mrs. Earl Piman on Victoria street. Mrs. Frank Harden, Mrs. Walter Hills and Miss Dorothy Ferris will assist on the hostess committee.

RAINBOW GIRLS MAKE WINTER PLANS

Plans for the coming months were made at the first business meeting of the Rainbow Girls' group Tuesday evening in the Masonic temple.

Mrs. Helen Hanke, advisor to the Covenant girls' chapter of Chicago was present to assist with instructions.

A centerpiece of "mums" and flower-molded candles graced the table at which Mrs. W. A. Biron and Mrs. Ed F. Vos poured at a tea given by Mrs. J. O. Austin Tuesday afternoon for Mrs. Elmo Edwards. Eighteen guests attended the event, held from 4 to 4:30 o'clock in the Austin home on North Main street.

The wives of men on the Antioch High school teaching staff were entertained by Mrs. Austin at a tea Wednesday afternoon, also in her home.

Mrs. Inez Ames left Saturday for Mt. Dora, Fla., where she will spend the winter.

Mr. and Mrs. J. R. Culbertson, Indian Point, attended the twenty-fifth anniversary celebrations of Besie B. Barabas and Emma Waage in Chicago Thursday evening as members of the Order of Eastern Star.

CHRISTIAN SCIENCE CHURCHES
"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 10.

The Golden Text was, "Unto thee will I cry, O Lord my rock. . . Save thy people, and bless thine inheritance: feed them also, and lift them up for ever" (Psalms 28:1, 9).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And it came to pass about an eight days after these sayings, he took Peter and John and James, and went up into a mountain to pray. And as he prayed, the fashion of his countenance was altered, and his raiment was white and glittering. And behold, there talked with him two men, which were Moses and Elias. And there came a voice out of the cloud, saying, This is my beloved Son: hear him" (Luke 9:28-30, 35).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Through discernment of the spiritual opposite of materiality, even the way through Christ, Truth, can will reason with the key of divine Science, the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure and free, not needing to consult almanacs for the probabilities either of his life or of the weather, not needing to study astrology to learn how much of a man he is" (p. 171).

The Youth in Business

AMERICA is suddenly faced with a real shortage of men competent to fill junior and senior executive positions. Now awake to the evils that may befall our democratic institutions through the triumph of European dictators, we find that our rearmament plans may be hamstrung because of lack of men capable of directing production. With many industries changing from working one shift a few days a week to a 24-hour basis, there is a dearth of qualified men to supervise operations.

Industry needs trained men, now, not only to operate machines and to direct workers, but also in offices and in the highest ranks of management. Business leaders long have been aware of a coming shortage of qualified personnel, but have been unable to do much about the problem. There has been little opportunity to train young men for high positions when for a number of years few promotions have been made.

It has been suggested that experts can be "loaned" from certain companies to other concerns where their services will be more urgently needed. Successful experience in one type of industry, however, does not always mean that a man will do a good job in another line of work. Intensive training plans for employees who have shown unusual ability is the best means of overcoming the shortage of skilled personnel. Expanding the number of skilled operators and executives from within is the answer to the question, how can production be increased in the immediate future.

Rainbow Girls Hold Initiation and Installation

Officers of the newly organized "Rainbow Girls" who were installed at an open meeting Saturday evening in Antioch High school are:

Shirley Hennings, worthy adviser; Betty Hanke, associate adviser; Charlotte Nash, Charity; Ruth Glenn, Hope; Gertrude Horton, Faith; Mary White, recorder; Phyllis Palmer, treasurer; Alice Fox, chaplain; Louise Elms, drill leader; Evelyn May Wilton, Love; Carol White, religion; Barbara Bicknell, nature; Frances Zimmerman, immortality; Doris Burdick, fidelity; Theodora Hennings, patriotism; Dorothy Aranson, service; Ruth Dahlke, confidential observer; Verla Schmahl, outer observer; Dorothea Nevitt, chorus director and Mabel Lou Hunter, musician.

Mrs. Lillian Gaa is "mother adviser."

Meetings of the group will be held the second and fourth Tuesdays of each month in the Masonic hall.

Chicago as well as local Eastern Star and Mason members were present at the installation and the public supper which preceded it.

The institutions and initiation of charter members took place in the afternoon.

A group of girls from Covenant assembly in Chicago assisted in the ceremonies.

Royal Neighbor Camp Holds Friends' Night

Members of Waukegan and Gurnee camps acted as guest officers for the "Friends' Night" meeting of the Antioch Royal Neighbors Tuesday evening in the Odd Fellows' hall, and initiated Mrs. Dorothy Hieber into the membership.

The guest of honor, Mrs. Gladys Ames, supervisor of Gurnee, was escorted to the altar by Marshal George Nelson and presented to Oracle Eleanor Edgar, who in turn presented her to the camp.

On behalf of the Antioch camp, little Miss Carol Ann Loftus gave Mrs. Ames a bouquet of flowers and a gift.

Presentation of the national colors was conducted by Nellie Hanke. Donna Jean Hafendick, dressed in an old-fashioned southern costume and carrying a flag sang "God Bless America." A Halloween costume parade by seven of the juveniles and Hawaiian dances by Donna Jean and Louise Elms and Gloria Patrovsky completed the entertainment.

Refreshments were served in the dining room, which was decorated in autumn colors, with a place of honor for the visiting officers who filled stations, and for Supervisor Ames and Oracle Edgar.

Supervisor Ames introduced Reggie Leota Teichert, who was appointed juvenile director and was highly recommended by Mrs. Ames and all for the received.

help given to make a success of the Lake county convention held in Lake Villa Oct. 25, when Oracle Edgar was elected Lake county vice-oracle.

Dr. Stephenson Will Speak Here Sunday

Dr. A. Turley Stephenson, District Superintendent of the Chicago Northern District, will be the guest speaker at the Antioch Methodist Church at the eleven o'clock service next Sunday. This will be the first time a higher official of the church has spoken here on Sunday morning during the present pastorate. The showing the church makes at an official visit is of great importance. It is hoped that every member of the church will make an effort to be present. Friends of the church and out-of-town visitors are always welcome. The Rev. W. C. Henslee, pastor, states.

He adds: "Our annual Thanksgiving service will be held Wednesday evening, Nov. 20, 1940, at 7:30. Come with us for an hour of praise and thanksgiving for the blessings we have enjoyed during the past year. 'Lest we forget, lest we forget.'"

Pheasant Season Closes Nov. 19
The Illinois pheasant and quail season opened Nov. 10. The pheasant season lasts till Nov. 19, with the daily bag limited to two birds, and four as the possession limit. The quail season runs to Dec. 9. The daily quail bag limit is 12, with 24 as the possession limit. The State Department of Conservation, supported wholly by the sale of fishing and hunting licenses, released 84,070 pheasant chicks and 48,631 young quail this year.

Mrs. George Wagner was hostess at a shower Friday evening in honor of Mrs. Richard Kennedy of Congress Park.

Christmas Seal Sale Committees Are Named

Mrs. Barney Trieger is Antioch representative on the Lake County Christmas Seal committee.

Members of the committee have to date held two meetings in the office of the Lake County Tuberculosis association in Waukegan, making plans for the largest seal sale in the association's history.

Those present on Monday afternoon, Nov. 3, were Mrs. Austin H. Niblack and Edgar L. Baker, Lake Forest; Mrs. Francis M. Knight and Mrs. Howard Delmer, Highland Park; Mrs. Earl Kane, Diamond Lake; Mundelein; Mrs. Homer T. Cook, Wauconda; Carl Baylor, Libertyville; Mrs. Joseph Sikes, Grayslake; Mrs. Sidney Barnstable and Mrs. Al B. Maier, Lake Villa.

Other members of the committee unable to attend Monday's meeting were: Harry A. Hall, Waukegan; Mrs. Mabel McCullough, Gurnee; Carl Nielsen, Lake Bluff; Mrs. Trieger; Mrs. Joseph Welch and Mrs. Robert W. Buckley of Barrington; and Mrs. Gerard Fossland, Winthrop Harbor.

The committee has chosen Mrs. Austin H. Niblack of Lake Forest as general chairman of the 1940 campaign.

This will be the thirty-fourth Christmas season that voluntary workers have cooperated with state and local tuberculosis associations to raise funds to carry on the nation-wide campaign against the disease. The campaign this year opens on November 25 and extends through Christmas.

"Lake county, like all other communities, has its tuberculosis problems," said Mrs. Niblack, "and at least once a year we should intensify our efforts to help solve the problem."

"Tuberculosis still leads causes of death between the ages of 15 and 45. Christmas Seals have helped fight a good fight, but as an enemy the disease is far from being vanquished. This is the time to pile up more ammunition for further attack."

Mrs. Niblack announced that the next meeting of the Seal Sale committee would be held on Monday, Nov. 18, p. m., in the office of the Lake County Tuberculosis association, court house, Waukegan.

Personals

Attending a meeting of principals and teachers of Lake county, Section 1, Division IV, last Wednesday in Davidon's bungalow, Grayslake were the principals: Roger K. Dardenne, Grayslake grammar school and representative of the division; Ray Ellis, principal of Round Lake school; Wayne McGraw, grammar school; William Ferry, Fox Lake school; W. C. Petty, county superintendent of schools, and his assistant, Miss Marguerite Zimmer, were present.

Mrs. S. B. Nelson, who has been ill for several days, was removed Monday from Victory Memorial hospital in Waukegan to Bethany hospital, Chicago, for treatment.

John N. Pacini returned Friday evening from Geo. Leonard Wood Veterans' hospital near Milwaukee, where he has been for the past six weeks.

Mrs. Walter G. French left the first of the week for a two weeks' visit with friends in Bloomington, St. Louis, Mo., Kansas and Oklahoma.

A pot luck dinner was held by the Eastern Star Officers' club Tuesday evening in the Masonic temple dining room.

County Red Cross Rally Is Held at Wilmot Thursday

The annual Kenosha County Red Cross rally was held at Wilmot Thursday evening at the High School building. Seventy persons were in attendance and plans for the annual Red Cross membership drive were formulated. The drive opens on Nov. 11, and will continue through to Nov. 30.

A high light of the evening was the presentation of the American Red Cross life saving award to Clifford Rasmussen for heroic work in rescuing two persons from drowning in 1938. One was Mrs. Marguerite Adams, Chicago, one of five in a boat caught in the undertow at the dam and overturned. Mrs. Lucille Anderson, a member of the party, was drowned; also William Mayer, one of a party of three men whose boat went over the dam. One member, Marshall Jacobsen, Chicago, was drowned. W. W. Davis, president of the Red Cross chapter, presented the citation to Mr. Rasmussen.

Preceding the meeting the members of the Roll Call were served a turkey dinner by the Mothers' Club. Erminie Carey, Wilmot, and Mrs. Maude Murdock, Bristol, are co-chairmen of the County drive.

A. W. Perkins of Kenosha talked on his experiences while with the Llyrd Antarctic expedition. Mrs. Walter Cavanaugh, Kenosha, outlined sewing and knitting work accomplished by Kenosha Red Cross. Mrs. Lance of Kenosha spoke on necessity of working for war relief. A large delegation of Kenosha Red Cross workers attended.

Chain O' Lakes Park Is Expanded by Purchases

Chain O'Lakes State Park, Illinois' new marine recreation area in Lake county, has been expanded by the purchase of 75 additional acres acquired from private owners for \$2,069.

Announcement of the purchase was made by Charles P. Casey, director of the state department of Public Works and Buildings, who said the new tract will give park visitors access to Nippersink lake, just north of the village of Fox Lake.

Casey said plans have been completed to construct roads, picnic tables, benches and open fireplaces in the new area before the 1941 park season opens.

Fixing State Parks for Winter
Shelter houses at various State parks are being enclosed, to make them ready for winter outing parties. These houses, with their huge fireplaces and stacks of firewood, are popular places for picnics and winter roasts during the cold months. Facilities for ice skating and tobogganing are ready at White Pines State park, in Ogle county.

The Observer

Sombody or other was drawing our attention the other day to that old observation: "There are three kinds of lies—just plain lies, damned lies and statistics." . . . And then there are the stories about the (fish, deer, pheasant, ducks, blonies, etc. . . fill in to suit yourself) that got away.

We see by our indoor reading course where it's illegal to bet on the election in Illinois. It ain't so profitable, neither, if your convictions lie with the losing side. . .

Quite a few local merchants took advantage of the business lull caused by the cold spell Tuesday to re-trim their windows. And we don't mean with Halloween soapings, either.

We see by the papers where: One Waukegan hunter reported that he was walking along a clump of brush when a pheasant whirled out into full flight toward the center of the field. This hunter, who thought he was all alone in this field, brought his gun to his shoulder preparing to fire. A thunderous roar greeted his ears as he pulled the trigger, and the bird disintegrated in mid-air. Twenty hunters had sprung out of the ground to blast the same bird. —Surprise!

Rodney Lee Jacobs, former resident of Antioch, and now of Benton Harbor, Mich., where he is in the employ of the Covel Mfg. co., and is staying at the Y. M. C. A. hotel, sends greetings to his friends here.

With a unanimous unanimity, seven members of the Eastern Star Officers' club attending their "pot luck" supper Tuesday evening in the Masonic temple showed up with seven dishes of spaghetti. Only four or five radical souls dared be "different"—with pickles, jelly, cupcakes and sandwiches, and pie. And so they had a spaghetti supper.

National Debt Worries Farmers

Prominent Farmer Says Debt And Third Term Are Big Issues.

The national debt is the big political issue among farmers according to Simon E. Lantz, nationally known breeder of purebred cattle at Congerville, Ill., and president of the Aberdeen-Angus Breeders' Association.

"Some people say that since Wendell Willkie has endorsed the principles of the New Deal farm program that there is no issue between the two presidential candidates so far as the farmer is concerned," said Mr. Lantz. "Most farmers know better. They know that on the debt and on the third term the cleavage between the two candidates is fundamental."

"Mr. Roosevelt, when elected in 1932, charged previous administrations with extravagance and pledged himself to a program of economy. What has happened? In the first three years of his administration the New Deal spent as much as the first twenty-four presidents combined had spent in the first 122 years of this government's life, and during that time we had several wars to finance."

"Mr. Roosevelt promised to place the cost of government upon the shoulders of those most able to pay. In 1930, the wealth of the nation was paying 69 per cent of governmental costs and the laborers, farmers and common people were paying 31 per cent. But last year we found that the wealth of the nation was paying only 39 per cent while the ordinary people were paying 61 per cent. That is how Mr. Roosevelt took care of the forgotten man and soaked the rich."

"It is beginning to come home to farmers that they are paying a large share of the wastage of money in the Roosevelt administration, just as is everyone else. They are paying in the form of hidden taxes. For instance, on grains, there is a hidden tax of three cents on every loaf of bread. On a \$4.00 pair of shoes it is 70 cents."

"On large items which the farmer must buy the tax cost is tremendous. Deere & Co., manufacturer of farm implements, was compelled to pay almost \$600 per man in taxes in 1939 for every man they employed."

"The wastage and extravagance of the Roosevelt administration has placed in hock twenty-five out of every 100 acres of farm land in the entire United States."

"I find farmers much attracted by the statement of Wendell Willkie that he will make no changes in the present farm program except to improve it, that he will return the ten million unemployed to the payrolls and thus increase the purchasing power of the farmer's market, and that he will conduct the national defense program and the ordinary business of government on a business-like basis."

"With the wastage of the Roosevelt administration in mind and the threat of perpetuation of power through the third term, farmers are finding there actually are fundamental issues in the present campaign."

International Problems Face Roosevelt Before Beginning of His Third Term; Determined Greeks Hold Off Italians As England Rushes 'All Possible Aid'

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
(Released by Western Newspaper Union.)

All over the country soldiers are at work putting U. S. army camps in shape to receive the new draftees and the regulars and recruits pictured above at Camp Edwards, Mass., are shown charging the camera during military drills being held at this army post on Cape Cod. More than 12,000 men are at work at this particular camp, getting it ready for part of America's new peacetime army.

AFTER-ELECTION: Decisions in Making

With President Roosevelt capturing an unprecedented third term by almost 4,000,000 plurality and continuing his party control of both houses of congress, the period ahead is expected to be one of fast moving decisions on both foreign and domestic issues. Many of these may come before the inauguration January 20. Many have been delayed during anxious weeks and months while the nation indulged itself in a political campaign.

In the foreign field continued sale of oil, copper and machine tools to Japan, that later may be used against a U. S. army, must be resolved. Likewise the issue of sale of food to territory conquered by Germany is due to be settled. Other problems are the sovereignty of Martinique, which may be used as a supply base for German submarine raiders in the Caribbean; the activities of foreign agents in this country; loans to Latin American nations; and greater priority for Britain in the production of planes.

In the domestic field almost everyone in Washington expects a reorganization of the national defense commission with appointment of a co-ordinator of activities. There must also be action where labor is pressing for higher wages in defense industries, and resistance to price increases. Tax studies already have begun and banks are urging an attractive long-term loan at rates above the present market. The unwillingness of industry to expand in the steel and machine tool industries must be met with decision to give them government financing or for the government to enter that field itself.

State Machines

Another problem Washington expects to be given speedy attention is the political machines of both parties controlling certain graft-ridden cities and states. The justice department is said to have some indictments ready even before election. They were withheld because the administration did not want to be accused of playing politics.

Michigan is said to be in this category. Here charges are expected in connection with operation of a liquor ring, diversion of funds from state liquor stores. This might seem at first glance to be a local problem, but "hot" money is alleged to have passed through the United States mail, and that is a federal offense.

New Jersey also may draw a crack-down rather early. Mayor Frank Hague of Jersey City suffered a severe moral defeat in the election. Not only did the state fail to turn in its usual Democratic majority, but Republicans were elected governor and senator. This is attributed to a public revision of machine tactics which already has

Pennsylvania which two years ago turned out its first Democratic state administration of the Twentieth century gave the Democratic ticket a wide sweep of the state this year. But even before the election federal agents were making investigations in Philadelphia.

MIGHTY ROME: Plans Averted

Apparently confident of a speedy capitulation, Rome began to talk of peace terms as soon as the first Fascist legions crossed the Albanian border to enter Greece. Rome implied dissension would bring the Greek to heel. Premier John Metaxas, power behind the throne, was expected to resign. King George, so the Italian story went, would abdicate, bestowing the crown on his brother, Prince Paul, 37, and married to a German princess.

But the Greeks had a word for it. The word was "no." They refused to capitulate. Italian forces gained but 30 miles into Greek territory at their best point when a week passed. They were doing a lot worse at other points. On the Koriza-Florina road the Greeks caught the Fascist flank in a vice and pinched it until both sides were fighting far inside Albanian territory and the Italian rear was threatened.

Civilians stood up under air raids carried out against the islands of Crete and Corfu, against Salonika and the port of Athens, Piraeus.

While there was indication the Greeks would receive little help from their neighbor Balkan countries, British stakes were high. The British were giving what they promised, "all possible aid." British soldiers occupied Crete and Corfu, British and Greek planes bombed Italian bases both in Italy and Albania.

How long the Greeks could hold out, neutral observers were loath to state. Mountains stood in the Italian path. Torrential autumn rains turned primitive roads into seas of mud. Mountain streams overflowed into soggy marshland. If Italian conquest was held off until British assembled greater strength in the east, anything might happen.

PEACEFUL LONDON: Is This War?

The Axis air attack on London played on a limited scale while war was being made in the Balkans. Fewer and fewer were the attacks by the Luftwaffe. On one Sunday only a single German plane crossed the channel.

But the British attack on Germany was not lessened. The British air ministry said the hardest blows of the war were being struck at Berlin railroad centers and power stations. Tons of bombs also were dropped in the industrial Ruhr and at Nazi invasion points in the Netherlands, Belgium and France. One day the German ministry of propaganda and public enlightenment admitted the loss of eight German planes to four British. It was the first time Herr Goebbels admitted anything like that.

Meanwhile London resumed its boast of "business as usual." Subways and trains were running close to schedule, food was arriving in sufficient amounts to prevent closing of trimming of the ration cards and stores were open in regular hours.

SPEED:

In the Air

G. T. Baker, president of the National Airlines, landed a transport monoplane at Jacksonville, Fla., just nine hours and 20 minutes after leaving Burbank, Calif. It was the fastest west-east crossing since Howard Hughes took off from the same field and landed in New York 10 hours and 34 minutes later. Baker's average speed was 248 miles an hour. He carried four passengers.

Paying Up

NEW YORK.—One of the first election bets to be paid off was the one pictured above, in which Iva Ray Hutton, leader of an all-woman orchestra is shown being given a ride around the Astor hotel. Actors Jimmie Dunn and Preston Foster chose the losing candidate but Miss Hutton bet on Mr. Roosevelt.

IN THE ARMY: Simple Routine

For trainees now going off to answer the call of the draft, the first five days will be devoted to fitting them into the groove which they will occupy during the next year. During these five days the trainee will go through the operation known as "processing." This includes inoculation, vaccination and blood test. He will be issued a uniform, shoes and blankets; an identification tag will be made out and he will be assigned a serial number.

Also he will be interviewed extensively, and be given an intelligence record. His schooling, athletic ability, hobbies and civilian occupation will be recorded, and he will be offered a special form of life insurance.

When these records are complete his time at the reception center will have been served. The records will be sent to a group of officers who have been specially trained in organizing new battalions and regiments. From perforated cards prepared during the interviews these officers will be able to assemble perfect companies with the proper number of cooks and clerks, send mechanics in civilian life to proper branches of the army and select men with previous experience in organizations like the C. M. T. C. for non-commissioned officers.

Then the trainees will move off to the unit where they are needed and best suited. That unit probably will not be in the same camp as the reception center, but will be the trainee's home for the next year.

NAVY PREPARES: Ship Buying

Since July 1, the navy has purchased 113 merchant ships, yachts, tugs, tankers, and other auxiliary vessels. It is the greatest ship buying program since the World war. Some yachts have been purchased for \$1, including teakwood decks and tile bathtubs. For one commercial freighter, \$7,000,000 was paid.

The navy needs many of these small ships to accompany fighting craft for fueling and servicing, as well as submarine chasers in narrow waters and off dangerous coasts. Nine of the most modern tankers in the world were purchased from the Standard Oil company.

In addition the maritime commission has placed contracts for the construction of 174 ocean-going steamships with a gross tonnage of about 1,500,000. Of these, 47 already are completed, and 95 per cent of the others could be commissioned immediately on an emergency.

Exercises

Meanwhile it was revealed that units of the fleet are on "scheduled exercises" near the French West Indian island of Martinique. Both Secretary of State Hull and the navy department insist there is no connection between the naval activity and the status of the island which has been a matter of concern in Washington since the Vichy government and Germany made arrangements for a joint war effort.

MISCELLANY:

¶ Rudolph Leonardi, famous Vienna animal trainer, who often was bitten and clawed by lions, tigers and bears, died from blood poisoning, the result of the bite of a mouse. He was bitten while cleaning a cage and succumbed eight days later.

¶ Riding a faulty radio beam, a United Airlines passenger plane crashed on snow-covered Bountiful peak, 18 miles from the Salt Lake City, Utah, airport. Seven passengers and crew of three were killed.

¶ King Michael, who succeeded to the throne of Rumania when his father, Carol, died, received a raise of \$100,000 with the job.

¶ Paul B. West, elected president of the Association of National Advertisers, announced that in a recent survey only one member expected less business during the coming year than in this.

through waist-high mud and water to reach shore and help guide rescuers to his companion Robert Jacques.

Peter Waldbauer battled for two hours in an outboard motor boat to reach John Havelka and John Waldbauer, on a hog only 30 feet away.

"Considerable anxiety was felt for a time over the welfare of Donald C. Terry and Arthur Murray of Chicago, who waited out the storm on Raccoon Island. Telephone communications had been disrupted, but by Tuesday noon William Henschel, who owns the island, managed to make them through the clear part of the lake down the channel to Fox Lake. These three men were able to return to their homes and their families who were anxiously waiting them at Freemen's.

Dredges Sink

Two dredges on Grass Lake and Channel lake, owned by Ray Pregener and James Stearns were sunk during the storm, but can be salvaged.

The contour of the lake was greatly changed by the shifting of loose "bogs," huge clumps of vegetation, driven by the wind.

Considerable material damage was

done to property around Antioch by the storm. Windows were blown in at the Decker Kennedy home, in Mrs. Marie Schaefer's flat, and at the new Reinher garage now in process of construction, and a chimney blown down at the Mrs. Jennie Sanborn home.

The big pole in the village park and the floodlights at the softball field on the southwest edge of town were blown over.

There were down in many yards, including the Van Patterns, Dr. and Mrs. J. J. Hays, and a farm on highway 125 west of Dean Hill. A refreshment stand near St. Peter's church was picked up and deposited on the church lawn.

At the Peter Kapp milk farm damage amounting to \$200 was reported. Several cages were upset, but the animals were recaptured. Horses in the barn had to be taken outdoors when the doors were blown off and it was feared the structure might collapse.

Effenbaum's Little Silver milk farm at Wadsworth had losses of \$500 when cages were blown over and milk escaped.

IMPROVED SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D.
Dean of The Moody Bible Institute of Chicago.
(Released by Western Newspaper Union.)

JESUS DECLARES HIS MISSION

LESSON TEXT—Luke 4:16-30.
GOLDEN TEXT—For the Son of man is come to seek and to save that which was lost.—Luke 12:10.

Ready for service! It's an exciting and auspicious occasion when the one who has prepared for a life work is ready to set forth on his mission. Joy and sorrow mingle; encouragement and opposition both appear and become his constant companions. Recognizing God and following His Word is of greatest importance on such a day.

The mission upon which Jesus entered on the day of our lesson was important far beyond any service of man, for, while He set out upon an earthly ministry of doing good, it led to the cross where He wrought out deliverance for the captives of Satan. That day found Him back with His own people in the synagogue in His home town.

1. Prophecy Fulfilled (vv. 13-22). It is significant and appropriate that Jesus' declaration of Himself as the fulfillment of Isaiah 61:1, 2, was made in the synagogue on the Sabbath day. He met with the people in the house and at the time set apart for God's worship. He opposed spiritual deadness, the misinterpretation of the truth, the distortion of religious principles; but He was not, as some would have us believe, a religious free lance who despised the established worship of His people.

Having been prepared by the years of silence, and more particularly by the baptism and the temptation in the wilderness, He appeared at the synagogue in Nazareth to declare Himself as the fulfillment of prophecy.

Those who teach that Jesus was only a young Jewish teacher with a new philosophy of life have evidently not read the Scriptures. He knew Himself to be God's Son come into the world to bring the good news of salvation by His own blood to poor, sin-captive, blinded and bruised humanity. He is the Savior!

Look at Isaiah 61:1, 2 and note that Jesus stopped reading before the end of the sentence. "The day of vengeance of our God" will come when Christ returns. This is the day of grace. Sinners are urged to accept God's love now, and thus to escape the terrible day of judgment.

11. Faith Recognized (vv. 23-27). The Jews gloried in the fact that they were the chosen people of God and insisted it was through the exercises of their formal worship that God's blessing must be received. Now this one whom they erroneously called "Joseph's son" (v. 22) comes to disturb them in their self-satisfaction. Seeing their rising resentment, He declares by striking words and example that the benefits and blessings of God come through faith and not because of any racial relationship.

The glory of Christianity is that its grace and power are to be received by faith and are fully and freely available to the simplest and poorest of men. Race, position, wealth, education, have nothing to do with it. All too often they are a hindrance, although they ought rather to be a help.

Every reader of these notes, regardless of age, education, wealth or any other condition or circumstance of life, stands on an equal footing before God and has a full and unlimited opportunity to take right now, by faith in Christ, all that God has for him—salvation, spiritual strength and usefulness, joy, peace, and all the other blessings of God. Will you do it?

111. Truth Rejected (vv. 28-30). Like a torch cast into gunpowder, His words set off all the explosive power of narrow bigotry, national pride, jealousy, and they were all "filled with wrath" (v. 28). They rejected not only the truth of His words, but they rejected Him who is the Truth (John 14:6). Note it carefully—in rejecting or neglecting His Word, you reject and neglect Him.

Observe that until the time had come for Him to be "delivered" (Rom. 4:25) into the hands of wicked men to be crucified they could not touch Him. There is no more majestic scene than that in verse 30 where the Son of God turned at the brow of the hill and, walking through the midst of the crowd, went His way.

What have I to fear at the hands of wicked and gainsaying men as long as I follow this all-powerful Son of God? He that is for us and in us is greater than he (the devil) that is in the world (I John 4:4). We follow the victorious Christ, who quietly but majestically walks through the ranks of His helpless enemies and goes "His way." Will you join us—today?

Be Temperate
Woe to them that rise up early in the morning that they may follow strong drink; that continue until night, till wine inflame them.—Isa. 5:11.

AMUSEMENTS

"Tone Poet" Will Be Seen at Kenosha Theatre

Leonard Keller, the Tone Poet, brings his well-known broadcasting orchestra to the stage of the Kenosha theatre in Kenosha, for a special stage show engagement Saturday evening, Nov. 16. He will play two matinee and two evening performances.

Keller, known to radio fans as the glamour boy with the violin, heads a

giant all star Stage Revue at the Kenosha theatre featuring a fine array of stars.

The entire revue will be played at the Kenosha theatre's regular admission prices. The comedy feature, "Sandy Gets Her Man," featuring Baby Sandy will be shown on the screen heading a special array of variety screen shot subjects.

"Who's Guilty?" Asks J. B. in Mystery Drama

A mystery drama with plenty of comedy, "Who's Guilty?" is the title of the next stage performance to be presented Monday evening at the Lake Villa gym by the J. B. Romaine Players. The play Monday night will inaugurate the second series of stage plays to be given there under the sponsorship of Lake Villa business firms who give free tickets for the performances.

The play will present the entire company of players, and there will be a full bill between the acts which insures a continuous performance. A special treat for Monday will be the appearance of Miss Powell and her violin in a special act, which J. B. says alone is worth the price of admission. Get free tickets from merchants listed in advertisement in this paper.

"Stamp Your Mail and Aid the Carriers"—Kufalk

Postmaster Roy I. Kufalk makes the following announcement to the patrons of the rural delivery service:

"It is desired that all such patrons should purchase a sufficient supply of stamps in advance and to affix such stamps to their mailings of first class and also to unsealed envelopes of greeting cards, especially during the Christmas season. Such stampings of mail will ease the load carried by the rural carriers and also will expedite the handling of the mail through the postoffice. Such co-operation will be appreciated by all concerned. It will be appreciated by the carriers if the patrons will stamp their mail at all times of the year, especially during the cold winter months, since the carriers lose some considerable amount of money when required to pick pennies out of the boxes and because of numbed fingers they drop the change in the snow."
